“ *I'm fairly young in my career but I never had a manger like Lewis. Always giving of his time and willing to do what he can to make sure we feel supported. I was always so moved by his down to earth personality, and good natured spirit. My heart goes out to his family and can only hope that the pain of this loss will easier with time.*

“ Lewis was an awesome man! One of THE best managers I've ever had! Hearing of his passing saddens me but I'm comforted knowing that he lived his life with purpose. He made an impact wherever he went and in whatever he did. Knowing that our paths crossed tells me that he showed up in my life at the right time and for a special purpose.

I will always cherish those years and remember all the good qualities he exhibited. He was a great leader/friend and will be sorely missed! My thoughts and prayers are with you Rita and family.
