“ *I cannot begin to express my sense of loss of such a friend and co-worker as Linda. She was in the courtroom with me daily, and always kept me up to date on her family and the accomplishments of Clinton and Derek. Every time we spoke over the past several years she never ceased to express her love and life with her family.*

*To say she was a doting grandmother is an understatement. She always looked forward to family time. I always felt that she took the initiative to keep our workload up to date, and knew what was going on.*

*Linda will be missed by all. I will remember the good times we shared!*

*My sincere condolences to the family.*
