“ *The whole family and I grew up together. I can't even remember the times we crossed the railroad tracks, the times we played hide and seek or just walk down to the railroad bridge. I have so many good memories of all of you. Linda was older than me so I always thought "wow, she must be so smart". But we always got along so well. I have nothing but good memories of that long ago time. I do rememgber that the girls could not come out and play until the dishes were dried. Odd how you remember little things. She was a child of God and she will be missed by her family and all those who knew her. My sympathy to all of you and May God Bless you and comfort you in this very sad time.

“ Dear Reid Family, Extending my sympathy to each one. I met Linda about eleven years ago and the thing I cherish and remember about her most is her HIGH ENERGY LEVEL and her smile. It was always evident when talking with her the LOVE she had for her children, grandchildren and family. She will be sadly missed but fondly remembered by all of those she shared her life with. You are all in my thoughts and prayers. Love Jeanie Hull
