“ *I was Mabels plumber when she lived in her townhouse in Manassas. We also worked together at PWH where we met. (She can now rest after completing all the paperwork in the ER!) There were so many wonderful people from her generation that would give and give. Showing by example what faithfulness really means. She gave us all many humor filled evenings and made sure I fixed all the plumbing problems in the ER correctly and explained it to her, so she could pass the information on.... God bless you all as you celebrate the passing of a true lady*
