“ I have known Mable for many years. Her son Randy was one of our dearest closest friend until the lord called him home. We had so many stories to tell. I worked also for Mable as a friend and caregiver we had so many stories we talked about. She was the sweetest kindest lady I have known. She will be missed by her friends and family. RIP my dear friend so now you have been reunited with your husband and sons and you can rest with them by the side of your lord Love always.
