“ *To my Racey family. Our dear Madge will greatly be missed. What a blessing to have had her in our lives! The memories over the years of the kindness and family welcoming that she gave. She loved company! I enjoyed all the times I was able to visit her. She always wanted to know how my family was doing and I would ask how hers was. And we would even watch a soap opera or 2 together, mainly in the summertime as she would always welcome us to her home to visit and the use of her swimming pool. She loved her family and would always talk about her grandchildren. Thank you God for the times and memories all of the family and friends got to share with Madge over the years.*
