“ So sorry for your loss. My thoughts and prayers are with the family during this most difficult time. I'm sure mom was waiting for her with open arms and they are enjoying one another's company once again. Becky Wittig-Roper

“ Where do I start? Many years as my bus driver trying to keep me out of trouble. Looking back it was for my own good. First day of school for many years she handed me a notebook and said start writing sentences. Even in adulthood she always had a smile to greet me. I will miss seeing her.
