Tribute Wall

“ Howard and family, I was soooo very sorry to hear of your loss of Margaret. I met her through square dancing and always looked forward to seeing you two at the Dances, you were a very special couple to me. Just remember all the fun and good times you had as a family all these years and that will make the loss easier to bear. I pray that our lord will put His loving arms around you just now and give you the comfort and peace you need. Margaret was a very special lady and she will be missed by many as well as her family. You are in my thoughts and prayers.

“ Howard,
My thoughts and prayers are with you. I thought the world of Margaret and have many happy memories of you both. She was a wonderful loving person and i am so glad i took up square dancing and got to know you both. My favorite memory is the night we were going home from a square in Albemarle County, cannot remember the name of the school but she had you make a wrong turn and it took us hours to get off that road. It was spooky, foggy and very, very long. Remember the dog on the side of the road. It was me, Karen Dixon and you two. But we had a ball that night going home, if i remember correctly we finally ending up coming out in Vesuvius.
