“ Dear Susan, Karl, and Eric, our warmest and deepest thoughts are with you and your families. Your mom was a true gift to all. I have so many memories of her from my youth... Every Christmas Day she would call our house pretending to be Mrs Claus to ask if I got what I wanted for Christmas. She taught me to play cribbage (a game I played for years after with my dad and grandfather) at the kitchen table in Woodstock (after coming back from morel hunting with your dad). My last best memories of both of your parents are from seeing them at our wedding many years ago. those and so many other memories I'll treasure forever. Wishing you all the best, your mom's memory will live on with so many she touch. - Aaron Cynthia Smith

“ I was greeted with a bright smile and a "Give me a hug!" when I visited Peg a few days ago in Oak Lea. We didn't get to talk, as the nurses were with her. I am saddened by this sudden loss of such a dear friend and tablemate here at VMRC. I shall remember fondly our last moment together. My deepest sympathy to Karl and Sue, Eric and Jonathan, and Susan and Dale. Sincerely, Lee Watson
