“ It is with much sadness that I learned of Kay's passing. We worked together at the Department of the Navy and during that time I came to know Kay as a valued friend. She added immeasurably to our workplace, not only by her professionalism and capability, but by her upbeat manner. I always enjoyed our exchange of e-mails and cards over the years since our retirement. It was a privilege to have known Kay and to have been able to call her my friend. I offer my sincere condolences to her family and her many other close friends.
