“ Bonnie & Family, My thoughts are with you all during this terrible time. I hope you can find comfort in remembering the many years you had together and smile when you think of the happy, fun times. Right now I seem to be remembering Mark writing something on the bottom of his shoes at your wedding??? Can't remember now if he really went through with it or just threatened to...seem to remember the former!! Memories that make me smile...and hopefully you too. Love & Hugs...Sharon
