“ Cousin Buddy was one of a kind. I loved his laugh and his BIG personality. He never met a stranger. I know I didn't see him much but the last time I did it was a wonderful visit. He came to see my Dad, Bill Meyers, at my Aunt Norma's. He and Dad were like two peas in a pod. They just laughed and had such a good time going over old memories. I am so sad of Buddy's passing but I know he is with his parents and my Dad having a good time. RIP sweet cousin.

“Cousin Buddy was a great guy to me even though his age lined up more with Sam. Every time I think of him it makes me smile. While we didn't see much of each other over the years, when we did run into one another it was like we saw each other just yesterday. One of my favorite memories goes back to the Chantilly days. We were visiting and Buddy had cut a car in-half and made it into a truck. As a young kid then I thought that was truly amazing, but that was Buddy.

“Fuzzy was a kind and caring spirit that never met a stranger. He was quick to notice the needs of others and had a laugh that would fill the room with joy. Fuzzy had tremendous talent and could fix anything he put his mind to. He helped us remodel our home when we were neighbors and was an amazing friend. He will be missed and we look forward to meeting him one day in heaven.
