“ *I will never forget the smiling face as I drove by on my way home from work. I could have had the worst day ever, and yet, when I saw the wave and THE smile from the porch swing, I was renewed. She will always stay in my heart. Sending my love to all the family.*

“ There is so much to say about this sweet spirited lady. Maru welcomed my son Matthew and I into her life with open arms. She was a true inspiration on the kindness that is lacking in most of the world. I remember being invited to Thanksgiving when she knew I had no where to go with my family all out in Missouri. She made me go first as I was a honored guest, just like a representative on how Jesus would want us to treat each other. I pray for her family that they might feel peace as I know Mary does in a new home where she can be free of the burdens of her ailments.
