“ Soo sorry to be writing this. Haven't seen Mike in a long time but I cherish the good times we shared. I will always remember watching you ride, going to Rainbow dancing, family times in wv and how much you cared about the kids. Your family was so kind to me. I will never forget you and the good times. May the peace of god be with you.

“ Never thought I would be typing in your Obit. I'm very saddened by your passing. I should have called you Friday like I had a mind to, but I put it off, I'm sorry. We have had some great horseback rides together and I will always cherish those memories of you. You rode them all. Happy Trails my friend, sometime we will ride together again. I hope your there to greet me when I pass with a horse in hand that has wings and hoofs the color of rainbows and we can race to the golden gates.

“ I have not seen Mike in a long time, but I will never forget him. He was one heck of a horseman and storyteller, a friend, and sure was a lot of fun. We had many good trail rides, and Mike worked on our horse farm in VA, and later in OK, working side by side with us and the kids. Gone but never forgotten. May he rest in peace.
