“ *Condolences to Mike's family. Having worked with Mike for all the years that he was at Kennametal, I will always remember him as a very warmhearted man and very pleasant to talk to. He loved his Jack Daniels and riding his bike. May he rest in peace.*

“ My heartfelt sympathy goes out to you Dona over your husband, Michael’s passing, to his son and his family, and to all that knew and loved him.

What a remarkable man for his devoted service to our country and your many trips to DC to honor his fallen comrades. He never forgot them. I honor Michael for that and his military service to our country during wartime. He was one of our Heroes.

Today Dona and always, may loving memories of your time together bring you peace, comfort, and strength, and may Michael now Rest in Eternal Peace.

“ I met Mike years ago when we both worked at FMC in Woodstock (early '80s) then at Vansco Ind. in Mt. Jackson (Timberline woodstoves). We both rode motorcycles and were in metal work (then) so we had that in common. Mike was a very likable person but one who would let you know where you stood with him. Even though our paths went off in different directions, we were always friends. I was always glad to help Mike out if he called me, or in some cases if Dona called me to help Mike out ; ). I will miss ole "Magic Man" Mike. I'll always remember him when I see the struts he fabricated for me on my '76 XS650 or see a Rolling Thunder POW/MIA item. Roll on Magic Man we've got it from here!
