“ I will always remember the kindness and love you gave . How you always looked out for me while karaokeing at the Spring House . Whenever or wherever we would see each other you would always take the time to acknowledge / talk to me. I will never forget the day or how we met, from there you accepted me into your life. Now you are in the heavens with your father and other family members, free of all the pain / sickness you endured while here on earth. Rest In Peace high on your mountain. Be a guardian angel on your sister Megan’s shoulders .
