“ *To the family of Nancy, she will be missed by all that knew her. We knew Nancy every since she joined the Eagles and considered her our friend. I did not always agree with Nancy on all subjects but she was like me, We let people know our thoughts on subjects and didn't hesitate to tell them. LOL We will miss you Nancy and hope to see you some day in heaven.*

“ What can be said of one who touched so many? She had an energy and a light that was uniquely Nancy. An original. She was accomplished and intelligent. She was caring and kind. I would have to say her greatest gift to all of us who knew her was her generous spirit and her laughter. Another great one has gone on before us. Her passing leaves such void one wonders if it will ever be whole again. My sincerest condolences to the family and thank you for allowing the rest of us to have known her.
