“ *I am so sorry for the loss of this beautiful lady - I wanted to share with her family two things: Nancy was a special customer to my husband and I; she purchased several pieces of furniture from our family business and each time she shopped and each time we delivered - we always enjoyed a long visit and wonderful conversation ❤️ Nancy has been super special to my family for many years - back in the days of working at Katrina's Hallmark in Woodstock - Nancy faithfully drove my aunt to and from work (my Aunt Joan had a brain tumor / seizures and couldn't drive) Nancy was a wonderful friend to her and gave her an amazing gift to be able to still get to work and be as normal as she could be - My aunt passed at the young age of 45 and Nancy continued to visit my grandparents- The Rupert / Kokkonen Family will always remember Nancy as a special lady, a true friend, and an angel who gave so much to us. ❤️ Lifting you all up for peace in your hearts - - Karla Rupert Kokkonen*
