“ So very sorry to hear of Nathan's passing. I used to work at the Building Inspection office and remember him fondly. He was such a jokester and always had a smile on his face. My condolences to the family.

“ *Straight pipe exhaust on the Ford and just ripping the throttle in Richmond as we moved his daughter in an apartment and the smile on his face when he was turning heads with that loud exhaust made him smile ear to ear.*

“ We are very sorry to hear of Nathan's death. He was a kind and gentle man, wonderfully creative, and a deeply faithful person. We enjoyed working with him to upgrade our home in Fort Valley, as he had done for prior owners, showing a flair for the creative and a passion for high quality craftsmanship, befriending us and our family along the way. He was a proud father and grandfather, even as he was unassuming in his personal manner. We will miss him. Our prayers are with you and your family in this time of loss. May he rest in peace and rise in glory. Faithfully, Russ and Julie Randle

“ *Nathan was an exceptional man. I've known him through Randy Walker and his family. I believe Nathan lived with walkers to finish high school cause his mother moved to FL. He came to visit Randy and I in his beautiful 442 Oldsmobile convertible, a gorgeous car. Had him enclose our carport in house Randy and I had built. He was just beyond so good at everything he did. I've kept in contact with him as much as possible over our 52 yr friendship. May he rest in God's loving arms and may God comfort his family.*

“ *I've known the Beall family since I was 5 (well what I can remember) My dad worked for Nathan for his construction company. I grew up around the family and became best friends with his daughters, Marcy and Molly Beall. I have a decent amount of memories and conversations I could post but the most memorable one was recent; it was at Marcy's first weight lifting comp. Nathan and I were sitting up front waiting for Marcy's turn to squat when he looked over at me and said how proud he was of Marcy and how far she came from where she was. That was the first moment he ever expressed raw feelings like that to me. I remember his eyes watering when he kept on about how she surprised him and he was happy she proved him wrong. That was one of the best moments I had with Nathan. To feel that emotion and be the one he opened to about it. I always knew he was proud of his kids but it hit me in a different light with that memorable conversation. Rest in peace Nathan until we meet again.*
