“ *To the family of Nat, So very sorry for your loss.... Nat was among the first 'antiquers' I met when I opened my shop, many years ago. I will always think of him when I'm out searching & run across a great piece of iron.*

“ *Pat & Family, Please know that our thoughts and prayers are with the family. Nat was such a kind gentle person, loved having conversations with him. My last memory was your retirement lunch, he was so pleased with the turnout and had such a great time talking with everyone. He will always be remembered. Much love to you and the family! Susan*

“ Shenandoah County has lost a great citizen and friend. I knew Nat when he worked at 7-11 years ago and also as a member of the "Sons of Confederate Veterans". My first year of joining we had a Christmas meeting and snacks at Nat's house. He and Pat made us all feel very welcomed. It's truly men like Nat that made the SOUTH so great. Thoughts and prayers are with the family.

“ Dear Pat, Lisa and Family: I am so sorry to hear of the loss of Nat. He was a very special person, and I have many fond memories of him. There was always a smile on his face and a pleasant word from his mouth. Even though we have not had the opportunity to visit with each other much over the past 15 years, when I would see him the years would melt away and I was greeted with that big smile and a warm hug. While I cannot be with you all in body, please know that you are in my heart and my mind during this difficult time - and always. Remember the good times - the love and laughter - that I know all of you shared. Love, Eileen
