Belsin you don't leave this earth with any enemies You were onr of the dearest most giving prrson I know. You and Sandra were a perfect match. For a guy who was if humble beginnings you took to masonry like your elders before you. And now the Pattin legacy of masonry will go on through your children. What a beaut I ful tribute to look at the work you have done through your lifetime and put The Patton name to it. Workibg your way to what the business is now is something to be so proud of. If death came to you peacefully, you deserved it for the gentle kind person you were. I shall miss you old friend but won't ever forget you. There are homes and schools and business es to remember you that will stand fir decades. RIP.sweet Nelson
