“ We are sorry to learn of your loss. She was a beautiful and sweet lady, whom we say every other week on Sunday at Shenandoah Place where our church (Bethlehem UCC) did a worship service. I played the piano and she was always sitting next to me. I really missed her this past Sunday. May God's blessings be with each of you. Dorothy and Charles White.

“ We are very saddened for your loss, and sorry that we cannot make it to VA for the funeral. I have very fond memories of visits to the Penland reunions and conversations with Aunt Noel. As a child, all of our family vacations were spent visiting the family in Virginia and West Virginia; those are good memories. Having just lost both my parents, I know how sad it is for you all, but I'm sure that she is in a much better place. Seems a little strange that both Daddy and Noel passed this year. and it's hard to comprehend that all of that generation of Penlands are now gone. I wish peace for all of you, and comfort in knowing that she is most assuredly re-united with all those loved ones who've passed before. Love to you all, Holli (Penland) Tompkins
