“ I love you sooooo much, Mom Simmons! You are going to be so missed by us. You were the most remarkable person, and I am so honored to be able to call you my grandmother. My childhood would not have been the same without you, and I thank you very much for all you did to make it a happy one. There are so many rich memories (as if they were made yesterday) that I will keep until we meet again. Please tell Blake that I love him - I know he is glad to have you there with him. So much to say to you, Mom Simmons, but I will wait...as I have done...because I know we will see each other again in that Better Place that God has prepared. :)
