“ *I had worked with Pam at CCCA for many years. She had an amazing voice and made a Christmas tree with each nurse having an ornament with their name on it. I am so sorry to hear of her death and my sympathy for the family.*

“ *Pam and I grew up together in Blueville, where she and I were both active in the Blueville United Methodist Church. I remember that one of our responsibilities was counting the Sunday School offerings. We spent a lot of time talking. Pam was always an insightful and caring person, even those many years ago. Our condolences to her family through this difficult time.*

“ I was so saddened to hear about Pam's passing. I remember her fondly throughout our middle school and high school years. She was a quiet, kind and soft-spoken person with an endearing personality. My sincere condolence and heartfelt sympathy to her family, friends and all those that loved Pam. I know her presence on this earth made our world a much better place. Prayers that God will give peace and comfort for those mourning this devastating loss.
