“ Dickie and I loved Patsy so very much. She was always a bright spot in our day with her smiles and loving touches and kisses. When we were greeters we always felt like she was the one greeting instead of us. She is a wonderful example of how to love each other and will be terribly missed by us as well as her church family. She has left quite a legacy and it will be hard for anyone to follow in her footsteps. We love her and miss her. Our prayers are with all the family and especially Fred who we know will miss her more than life itself.
