“ Patsy and I had many great experiences working with the Shenandoah County Education Association. I recently found a pennant with signatures from a VEA Convention and there was her name! She was a wonderful lady. Thinking of her family as you mourn your loss; blessings and peace!

“ Patsy and I graduated from high school together, and she always had a sweet smile on her face. She, Pat Hansberger and I were also waitresses in Bayse during the summer one year (although at different resorts) when we were in school, and we would visit her at work. I was so happy to see her at our high school reunion last fall. She was a lovely person. May God bless you until you meet again. Beverly

“ So sorry to learn of Patsy's passing. I went to school with her and grateful that we had an evening together last fall. I remember in our younger days the dances at the Moose Lodge . She was always so much fun. We will miss her. With my love and sympathy...
