“*Mary, I'm so sorry to hear of your Mom's passing. Believe me I know what that feels like. I hope to get to the service on Sat., but I'm not sure if I will. I just want you to know that I'm thinking about you. I told Nancy that maybe we all could get together sometime and do something fun. Just know that you are in my thoughts and your Mom will always be with you just as my Mother is always with me. Take care, girl. love to you, Kay*

“*Karen & Mary: I am really sorry about your Mom. I didn't know her as well as I did your Dad but she sounds like she was a great person. And most importantly, she is in the right place now and will live on forever. Greg*
