“Peggy was a classmate. Although the obituary said she graduated from Edinburg, she actually graduated from Woodstock High School, class of 1953. She was a friend to all and was always a pleasure to be around. Although she left Woodstock, she did attend our annual class gatherings and kept in touch. We all will miss her bright smile and friendly attitude. I pray that good memories of her will help the family and friends to over come the sadness we have at present. Don
