“ We are really sorry to hear about Penny. She was a good and special person. We always enjoyed seeing her and being around her. She was a very sweet person and one of a kind person and we will really miss her and miss talking to her. We remember how she always liked angels at Christmas time and nativities and always reminded others of the true meaning of Christmas. She herself was like an angel on earth. She reminds us of Alabama’s song “Angels among us” she was a miracle woman back in 2019 when she almost passed and before then and after her miracle when she came back she used her miracle to spread joy and love to others and always giving and helped others. God used her as one of his angels on earth just like in the song. We send condolences to the family, we can only imagine how hard you are taking it, because we are taking the news really hard. It’s Devastating to hear. We will praying for you all during this difficult time May God be with you all and comfort you all and may your memories of the special person that Penny was bring you comfort and happiness. We have the hope of all of us seeing her in heaven one day. She would make a beautiful angel. We are so sorry that we couldn’t make it to the service due to an appointment, but know that you all were in our thoughts and prayers that day and will continue to be. We send our love. She set a wonderful example for all of us to follow to keep the faith and live right and be a good person. Love, Always The Millers from church Dennis, Lois and Amber ❤️🙏🙏

“ I am truly sorry for your loss. I remember Penny as one of my managers at Burger King. She was real sweet to me and everyone. She always lent a helping hand to whoever needed it. I recall one memory of her, when I was having a issue with a customer and she came out and told the guy to get out of her store and don't come back. Then she hugged me and told me, that I didn't have to worry about losing my job, cause she would have my back if he calls the corporate office and try to get me fired. Rest in Paradise, Penny and we will meet again one day. ❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️”
