“ *My grandmother was a wonderful person to be around. I have memories of the times we visited in New Market at the Motel and in Woodstock. She will be deeply missed but there comes a time when we get to see each other again. We all loved her dearly.*

“ *Wish I could be there to celebrate Aunt Tootie, remembering many happy childhood hours she was a part of and visiting Virginia and playing pool at the hotel as a teenager. Her smile and kindness are lasting memories.*
