“ *My heart hurts for you, Michele. I know without a doubt how proud Buster was of you by a conversation we had when I was doing some redirection. There are a couple of things for sure he loved you, he was proud of you and you worked to dang hard. I hope those words he told me help you find some comfort. God Bless you and love you*

“ Ralph and his family was my neighbor in Dutch Lane Subdivision in Mt Jackson. I was a teenager at the time and Ralph loved to cookout in the evening's of summer time. The most memorable time that sticks out the most is one time Ralph was getting things ready to grill out out and as he was lightening the grill there was an explosion that caused Ralph to have have some burns that sent him to the hospital. Ralph also was an umpire for the softball games that was played at Mt Jackson park . I can still hear him strike or out with the body motions To go with the callings of the game. REST IN PEACE RALPH
