“ *My dad was my first love. He taught me right from wrong and I did not always listen but he was right I did learn. He brought me up learning about the love n his mercy but I hurt so bad all the time he once told me when I was heart broken over Wesley when I was little that time heals all wounds but it's not. I would give anything to have him back, to hear his laugh, feel his hugs. I'll never fill the love I have lost from my father not being here with me but god has a perfect angel. I love you dad until I see you again*
