“ I met Randy many years ago when he was a draftsman at Blue Ridge Truss & Supply, Inc. in Basye. Willard Fansler, my late father in law, Vondrea Melton Fansler , my late mother in law and Charles “Charlie” David Fansler, my late husband all thought very highly of him. He always had a smile and even when he had declining health he was a kind man. The world lost a good one. My condolences to his family.

“ I first came to know Randy when we worked together at Blue Ridge Truss those many years ago. Randy was always fun to work with and helped to keep our silly office jokes going. We all loved him! Randy was also a very talented and gifted designer and draftsman. He was a hard worker and a huge asset to Blue Ridge Truss! My deepest sympathy goes out to his family. He will be greatly missed!
