“ *We, the Page County Animal Shelter staff, send our deepest condolences to the family of Raymond Leeth. We are unfortunately not able to attend his service this Thursday, but we wanted to reach out and send our sympathies. Leeth was one of the absolute best Animal Control Officers this county has ever seen. His dedication and passion for the animals shined through every single visit he made to the shelter. He always greeted us with his witty sense of humor and a smile. He will be terribly missed by everyone here. Our prayers and thoughts go out to your family.*

“ Sending so much love to all of the family and friends as everyone grieves the loss of Ray. What a wonderful young man, and his untimely passing is such a huge loss. His Granddad Bill Burk and I loved him dearly and were, together, so grateful for the many treasured memories he and his sister Rachel gifted to us throughout their childhood years. I believe that Ray is already being held in the loving arms of Bill. Ray was our first grandchild and his Granddad would always just beam with pride when with him. Blessings to all and warm thoughts to Kaitlyn. 🙏💕💕
