“ *Becky was our Neighbor for years when we lived on Summit Ave. we always spoke and joked while we did yard work on our front lawns, in the last couple of years she would take Parker fishing down at 7 Bends Park. In the Evenings when I showed up to fish Parker and I would just wade out and fish together, while Becky would sit on the bridge and relax. She always thanked me for doing that. It was "My Pleasure!" My prayers are with him and the entire family. Becky I will always remember your kind heart and smile, and one of the best neighbors one could have.*
