“ I worked with Rebecca at Rocco Farm Foods about 35 years ago. I was in the accounting dept. and right out of college. Rebecca and Becky were so great to work with! They made everyday at work fun, and I still have fond memories all these years later of working there and the "banter" we kept up with each other. I will forever remember Rebecca as someone who always seemed to be happy and made a lasting impression on me in my first "real job" of how to be professional and nice at the same time. My condolences to Rebecca's family.

Sincerely,
Jeff Koeppen

“ I was so deeply saddened to read Rebecca's obituary in the paper. I was lucky enough to work with Rebecca in Rocco's corporate office in the 90s and then stay in touch over the years through Facebook. She always brightened my day and made me laugh. She will be sorely missed. Deepest condolences to her family and close friends. The world has lost a good one.
