“ To the family of Renee, So very shocking to hear of Renee's passing. I (Mona) worked with Renee back in the 1980's and she was then and always has been a lot of fun to be around. I admired her insight and ambition of having her cruise/travel business in addition to working in the title business. Our condolences to you and hoping you find comfort and peace in knowing she lives on.....and you will see her again one day. The cruise she is now on is the best one ever....she cruised right into heaven's gates.

“ My sorrow goes to Ronnie and the family. Renee's sudden death, being a young and vibrant person, has left us feeling out of control. There is only One in control and he has given us everything we need to prosper and live.
