“ When I was 16, I was staying with uncle Elmo and Aunt Shelvie while my parents were out of the country. On my way home from school, my car broke down in the middle of nowhere on the Mountian. I was never so thankful to see Rex pop across that hill! Up until that day, I was scared to death of his “gruff”. But after that day, I seen the kindness in my old cuz! He wasn’t as bad as his “gruff” made him out to be. Love and miss you Rex! ❤️
