“ *I knew Ricky at high school, and he was one of the nicest, kindest people I ever met. We were in some of the same classes, so I had many opportunities to chat with him. He had a marvelous sense of humor, and he was always so upbeat and very funny. Although I have not seen or talked with Ricky for many years, I will never forget him. His presence in the world made it a much better place to be. I had intended to send Ricky a note, but I waited too long. He was a wonderful person, and I am so sorry that he is gone.*

“ *“Ricky” and I were not only brother and sister but as kids, we were best friends. We shared a love of animals. We had a collection of maybe 20 rabbits at one time when we lived on a farm in France. On Saturdays we would take our saved-up allowances to the local market and “ save “ rabbits who had been destined for the stewpots.*
