“ *Beverly, I just learned of Richie"s death and am so sorry. Gosh this takes us back a long time, almost another lifetime.. I remember him so well when he was younger because I babysat for him as well as the girls and the twins. We will have wonderful memories always of the apartment building and what life was like back then. I'm so sorry for your loss so prayers for you and all of your family as well as his wife and family. May the memories of him and your faith and love for Christ be a comfort during this sad time.*

Sincerely
