“ *I have never met Richard but I believe I have met his heart. Michele has been a part of my life since her children became a part of our school. There isn't a doubt in my mind that Richard must have been an unbelievably loving, dedicated, loyal, and humble hearted friend to every friendship and every endeavor he became a part of. I see these qualities in Michele... and know they had to come from a lifetime of positive example and family culture. I stay in a sense of awe when it comes to the Jaime family... they are ALWAYS making the world around them better. Thank you Richard (though you are no longer on this earth I know you can hear me!) for raising such an incredible daughter. You have blessed the entire San Antonio community with your legacy! I know your family is missing you dearly... but I also know that your presence rests in each of their lives... and I pray they pull strength from that knowledge and the stories they will share of your love and your life! Joyfully, Lori Rhodes*
