“ *It has been 5 years since we had the honor of providing Robert his prosthetic. We wanted to call him and see how he has been doing, and we just found out about his passing. We are so sorry for your loss, he was a lovely patient of ours and we wish we had known about this sooner. We hope you get our message and that the family is doing okay. May he rest in peace. Thank you. - Cardinal Prosthetics and Orthotics*

“ We send our sincere sympathy and prayers to family.
We knew Robert from CVS and thought highly of him. May God Bless you all with comfort and strength to get through this very difficult time of grief and know that He is in his heavenly Fathers care.
