“ *Robert Harold Doolan was, hands down, the best man I've ever known. Tough when necessary and always a straight shooter. I remember thinking that he was the strongest and toughest man in the world. I always wanted to be just like him. And I thank God, that, for the most part, I am. My looks, my laugh, my attitude, my generosity, my loyalty, my pride, my honor and so much more great traits I was given by my hero. And make no mistake, he was, is and always will be my hero! I love you, dad!*
