“ When Waymon first met my family (all at once), he especially bonded with Uncle Bob. I can't imagine that there was single person on the face of this earth who met him and didn't like immediately. He was DEFINATELY my FAVORITE uncle. Even though I haven't seen him in years, we kept in touch by writing. Just knowing that he is gone, makes me miss him more than I did before. On the other hand, now he has the capability to be an angel on my shoulder and I can feel his presence even more. God bless!! Know that our prayers and thoughts are with the immediate family that feels the every day loss.

“ We are so very sorry for your loss. Uncle Bob was a special man, so caring and kind. Bobby and I couldn't wait for our summer vacations at Aunt Alberta and Uncle Bobs. He will be greatly missed.
