“ I just found out about the passing of Bob the other day from my brother Bruce. I to as a kid remember Bob and Flossie and the visits we had. I live in Maryland but the trips on many week-ends down to the mountains will be forever remembered. Bob was so nice and I know that he is now joined with my mom and dad and his beloved wife. I know that he will be reunited with all his loved ones in the arms of our Lord.

“ Deepest sympathies to all family and friends. I always thought the world of Bob and Flossie. Now it will be so sad that I can't have our little visits whenever I came to Virginia and East Coast as they no longer will be there to see. But I can remember them and always will.
