“ I remember staying at Uncle Rodney's house when my mom would take us to Virginia and I use to Love waking up at 3am and watch uncle Rod play games on his computer. We used to play wheel of fortune while everyone else was sound asleep. That bounding time I had with him was one of my favorite childhood memories.. Rest in Peace Uncle Rod hug my mom for me .

“ Our prayers go out to Diane, Allie, Trey, Ethan, and little Addilynn. Rodney was a very kind and caring man. Always willing to help.He devoted his life to his wife Diane and Allie, their only one precious daughter. His grandkids were his joy.They loved their Paw Paw.He traveled to the Veterans Hospital in Martinsburg for appts.His last trip over, I live pretty much behind the hospital and I got a text if you gonna be home we will stop by. I said sure I will fix lunch.I got so excited to see them. I fixed a good old fashion hot meal. Pork loin and the works. He was so happy to come to eat.He said he loved my cooking.I even gave him what was left to take home for their supper.While Diane worked after his retirement they told stories how much he loved spending his lonely time waiting for her return home from work at the VFW. Ethan used to tell me grandma Paw Paw knows everybody. Nobody was a stranger.May God Bless you all.Love, Grandma GreggMartinsburg, W.V.
