“ Our sincere condolences to Rodney's family. He was a truly kind, friendly man. He was a Shen County familiar face and will be well remembered. He and Evelyn often came to visit us at Trinity UCC in Basye, to share a meal or a funeral of someone they knew, to our Homecoming. He loved to eat and we loved seeing him enjoy it. Prayers of comfort to all of the family.

“ Rodney was a true living piece of Shenandoah County American history. He knew about everyone and about everyone knew him. He was a joy to know and talk with. He was a friend to all. We never heard a cross word from him about anyone. The Fair, Conicville VFD carnival and many, many church and civic club dinners will never be the same without Rodney being there. A Shenandoah County fixture, he will be missed!

“ My deepest Sympathy to the family of Rodney. There wasn't many in Shenandoah County that did not know him. He was a friendly man that loved to talk to people. He loved going to other churches and he loved to eat. Every year Evelyn and Rodney would come to my house and get turnips, they loved them. My husband always told them to help their self. I always got a laugh when I would look down in turnip patch and see them. Rodney was one of the friendliest people I've ever known. He will be missed.
