

Ronald Landis

August 16, 1933 - December 3, 2023

The world became brighter on August 16, 1933, the day Ronald Landis was born. Ron sadly passed away on December 3, 2023, after a very long and happy life. He was a loving husband, and wonderful father, always there for his family. He had many friends and was a well-loved member of the community of Basye, Virginia.

Ron had a long illustrious career with the Federal Government, and once retired enjoyed all his passions. Fishing, golf, snow skiing, riding his motorcycle, and playing with his pups, Charlie, and Molly.

Ron leaves behind his four children, Deborah, Brenda, Steve, and Claire, and her husband Clifton, and 2 step children, Jake, and Ben. He also leaves behind a granddaughter, Lexie, and step grandchildren, Daton, Juno, Sophia, and Jacob.

The world became a bit dimmer on December 3, 2023, but the light Ron brought to all our lives will always be with us.

“ Ron was a long-time member of OASIS Fine Art & Craft, an artisan's cooperative in Harrisonburg. His woodwork delighted many of our customers, and still graces our gallery. He was an active member, who attended almost every members meeting. Also, during our covid years, he made regular monetary contributions to OASIS to help ensure that we stayed in business. He will be missed. Our sincere condolences to the family. Assuredly, you have many wonderful memories of Ron to share with one another. Could a family member please contact me, Barbara Camph (tbcamph@aol.com), about his woodwork at OASIS? Thank you so much.
