“ *Ronnie and I were best friends in high school. I used to stop and pick him up from his parents house on my way to school in the mornings. We'd laugh all the way in to CHS every morning, and back home again at the end of the day. We had lunch hour and art class together. Ronnie was pretty good at drawing cars, and, of course, obsessed with NASCAR and Richard Petty. A gang of us went to Darlington 500 a couple of times. I could never see the attraction of sitting out in that heat watching those cars go round and round, but Ronnie loved it.*
