“ *I always enjoyed my time visiting with Ronnie at Consulate. It was a sad time when the COVID pandemic hit and I was unable to visit with him anymore. He always looked forward to and enjoyed a cup of McDonald's coffee that I made sure I took to him. He always asked me to pray for him. He was very fond of his twin sister and had a good word for her and would tell me about the good meals she would bring him. He will truly missed.*

“ *I remember Ronnie from the visits I would make to The Village assisted living or to Consulate Nursing Home. I would be walking down the hallway and I would see Ronnie coming toward me saying... I know you !! Then our conversation would begin. I will miss your sweet voice dear friend.*

“ Prayers with you at this difficult time. Ronnie will surely be missed. I will never forget when we would go and visit Uncle Dave we would always visit Ronnie. I loved the stories he would tell me about how he would go and stop by my granddad Charlie and Thelma for coffee in the mornings. He always said what wonderful people the Saffells where. And they thought the same of Ronnie. When I visited him at Consulate he looked at me and said you dont know who I am do you and I laughed and told him I sure do that you was Ronnie. He always thought I was too young to remember him. But he was always smiling. RIP Ronnie you will be missed but never forgotten
